Sunday Bulletin  
Week of 25th November

## A NOTE FROM IAN....

Dear friends

This morning we begin our 'Countdown to Christmas' reflecting on Zechariah in Luke 1. And today we have 2 morning worship services - 9.30 and 'Hymns and the Word @11'. Tonight, our last NIGHT CHURCH for the year completes our studies on 'The War Room' – tonight's theme is 'Impacted by grace'.

There is an insert in our bulletin from our Session meeting. 3 things we talked about on Wednesday I would like to highlight:

- On Sunday 9 December at 10.30am there will be a Congregational meeting to vote on calling Aaron as another minister in our parish for ministry in Hawea. The vote will be for members and associates –we will have a copy of our roll on the table in the foyer if you are uncertain about whether you are a member or associate.
- The Congregational meeting will also include a vote to sell the Tarras Church –if you would like more information about this talk to Peter Southwick.
- We are still talking about a new name for our church-if you have any feedback re our suggestions (see insert) talk with one of our elders.

Thank you for those who helped with and came to my 'birthday barn dance' last night – it was a great night !

The other day I was visiting an older couple in our church and they told me that they will give their tax rebate for giving back to the church because they said 'It's God's money'. You may like to consider doing the same.

May the Lord bless and be with you in this week ahead.

*Grace and peace Ian*
